## **FOOD FOR KIDZ**

### **Food Packaging Event**

We really need volunteers to make a strong showing to maximize the "packaging power" of the event. Let's improve our recent trend of fewer local volunteers to give the world's hungry children a chance to survive. Please encourage everyone from energetic school-age youngsters in 4-H Clubs, confirmation and Sunday School classes and sports teams to come out for 1-4 hours to help make the 2017 Food For Kidz packaging event a smashing success!

Donations to defray the cost of the ingredients packaged (still only 15 cents a bag) may be sent to Food For Kidz, P.O. Box 357, Atwater MN 56209. Event Coordinators Dave and Kathy Johnson 320.979.9453.
